

Commercial Offer

Dear Buyer,

CJSC "A-ENERGY GROUP" has the honor to offer you the following products:

Number	Name of product	Quantity
1.	Bank gold ingots: 995 sample, 999 sample certificate Good Delivery, weight \geq 12kg	Minimum lot = 1 ton.
2.	Dore alloy ingots: 700-800 sample, weight \leq 15Kg	Minimum lot = 100 kg.
3.	Refined gold granules: 999 sample (see Appendix 1)	Minimum lot = 100 kg.
4.	Gold coins: - St. George the Victorious 999 sample, weight 7.78 g. - Gold chervonets sower 900 sample, weight 7.78 g. (see Appendix 2)	Minimum order = 1000 pieces

1. Bank Ingots:

The available allocation for the 2026 financial year is 20 tons in standard "Good Delivery" ingots, held in European vaults. This volume is reserved for strategic liquidity management. Transactions are executed with 100% payment based on the London Stock Exchange price fixed at the date of funds receipt to our settlement account. Upon confirmation, ownership is transferred and delivery initiated, with a 3% loyalty refund processed on the date of payment.

2. Doré Alloy:

The planned production and refining quota for Doré alloy (700-800 sample) is set for delivery to designated refineries. Terms involve an 80% prepayment based on the LME price, with final settlement following assay analysis. A 3% refund of the total value is issued upon receipt of the initial payment.

3. Refined Gold Granules:

The allocated volume for industrial supply of 999 sample gold granules is available for forward contracting. Delivery requires 100% payment at the LME price, with a 3% refund of the total amount provided on the date of payment receipt.

4. Bank Coins:

The distribution program for "George the Victorious" and "Sower" coins is open for minimum batches of 1,000 pieces. The final price is fixed according to the London fixing at the moment of capital credit to the company's account.

We adhere to a policy of transparency. Our R&D pipeline is presented on our website. We are testing demand and preparing the infrastructure, but since no actual transactions or cash flows have yet occurred, this data has not been included in our financial statements in accordance with accounting standards. This is our future, not our past.

Our company works exclusively on prepayment, each position is discussed separately.

The price for the goods is calculated at the London gold fixing rate on the date of receipt of funds to the seller's account. The buyer's discount from the full order amount in % = 3+.

Contract of sale can provide your own.

The cost of logistics is calculated separately and depends on the terms of the contract.
